Dear Clerk,

Attached is a survey regarding Young Friends in your meeting which comes to you from an ad hoc committee of Lake Erie Yearly Meeting. If you already picked up a copy at Representative Meeting, please consider this a formal invitation to contribute to the survey, and note that the "due date" has been extended to April 30.

If you are not the right person to answer, please pass it along to whomever can best respond. If you have any questions, please don't hesitate to contact us.

In love and light,

Peggy Daub, Assistant Clerk, Lake Erie Yearly Meeting
