

### **Memorial Minute for David Lore**

Dave Lore, of Granville Friends Meeting, has passed away. I knew him first as a colleague of my husband's at the Columbus Dispatch, but when he learned I was a Quaker, he invited me to help him with mailing tasks when he was managing the LEYM newsletter back around the turn of the 21st century. We had a nice time, working at Ella Young's home here in Worthington, beginning with a nice meal and then having a great visit while we bundled the newsletters. He was also busy for many years at the LEYM annual sessions. He will be missed by many Friends.
