Four Rules of Open Space:

1. Whoever comes are the right people
2. Whatever happens is the only thing that could have
3. Whenever it starts is the right time
4. When it's over, it's over

The Law of Two Feet (*or your dominant pointer finger for zoom people!*) states that: “If, during the course of the gathering, any person finds themselves in a situation where they are neither learning nor contributing, they can go to some more productive place.”

Process:

Our general theme is Building Connections.

- Anyone can propose a topic. If you propose a topic, be prepared to host that discussion and either record or arrange for note-taking (which can happen on the jamboard and/or on paper in physical space).
- Groups will include both in-person and virtual people, as technology allows!
- We will have 2 opportunities for conversation of about 45 minutes each.
- At the conclusion, we will come together for the “Harvest”!
