

Hello Friends,

Friends General Conference is pleased to share that Marvin Barnes will be visiting the annual sessions of Lake Erie Yearly Meeting this year as a representative of FGC to listen, learn, and share with Friends. As the FGC visitor, Marvin will be present to represent FGC and its programs and services, as well as to pay attention to what is going well in the yearly meeting and what support Friends might need from FGC or other yearly meetings.

The reports from all yearly meeting visitors will be summarized and shared in the fall.

Sending greetings from FGC,

Rachel Ernst Stahlhut  
FGC Spiritual Deepening Program Coordinator
