

Memorial Minute for Sue Fletcher (North Columbus)
Died November 25, 2022

“I see how the light is melting the ice, and I just have to hope that holding people in the Light, praying for people, melts some of the hatred and war in the world.”

– Message delivered by Sue Fletcher during morning meeting following a 3 a.m. EST meeting with friends in Kyiv, Ukraine, on the outbreak of war, February 27, 2022.

North Columbus Friends Meeting honors friend Sue Fletcher, who attended meeting for worship during 2020–2022. During meeting, Sue shared from her heart when Spirit moved her. She gave us glimpses through her own “God glasses.” Though she blessed us with her gracious presence for only a short time, many of us felt touched by her deep insights and gentle wisdom. She enriched the life our Meeting.

Sue passed away on November 25, 2022. She is missed during meeting for worship. We are grateful for having known her.
